**IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF ARIZONA**

16 IN RE: Bard IVC Filters Products Liability MDL NO. 15-02641-PHX-DGC  
Litigation

**DEFENDANTS C. R. BARD, INC.'S  
AND BARD PERIPHERAL  
VASCULAR, INC.'S ANSWER AND  
GENERAL DENIAL IN RESPONSE  
TO PLAINTIFF'S AMENDED  
COMPLAINT IN CASE  
NO. CV-16-00008-PHX-DGC; JURY  
TRIAL DEMAND**

23 Defendants C. R. Bard, Inc. (“Bard”) and Bard Peripheral Vascular, Inc. (“BPV”)  
24 (Bard and BPV are collectively “Defendants”) hereby file this Answer and General Denial in  
25 response to the Amended Complaint served on Defendants in *Robert G. Harbridge v. C. R.*  
26 *Bard, Inc., et al.*, AZ Member Case No. CV-16-00008-PHX-DGC (“Answer and General  
27 Denial”). Defendants further reserve the right to file any motion to dismiss for failure to state  
28 a claim with respect to this case, as set forth in Amended Case Management Order No. 4.

With respect to the allegations plaintiff(s) raise in *Robert G. Harbridge v. C. R. Bard, Inc., et al.*, AZ Member Case No. CV-16-00008-PHX-DGC, Defendants deny, generally and specifically, each and every allegation in plaintiff(s)' Complaint, the whole thereof, and each and every cause of action therein. Defendants further deny that the plaintiff(s) has sustained, or is entitled to recover, damages in any amount alleged or in any sum whatsoever. Defendants further deny that they are liable to the plaintiff in any amount, and further deny that the plaintiff has sustained injury, damage, or loss by reason of any act or omission by Defendants.

9 As for additional defenses, and without assuming any burden of pleading or proof that  
10 would otherwise rest on plaintiff(s), Defendants incorporate by reference the responses and  
11 Affirmative Defenses set forth in Defendants' Answer to Plaintiffs' Master Complaint filed in  
12 MDL 2641 on December 17, 2015 (Doc. 366). Defendants further reserve the right to raise  
13 such other affirmative defenses as may be available or apparent during discovery or as may  
14 be raised or asserted by other defendants in this case. Defendants have not knowingly or  
15 intentionally waived any applicable affirmative defense. If it appears that any affirmative  
16 defense is or may be applicable after Defendants have had the opportunity to conduct  
17 reasonable discovery in this matter, Defendants will assert such affirmative defense in  
18 accordance with the Federal Rules of Civil Procedure.

## **REQUEST FOR JURY TRIAL**

20 Defendants C. R. Bard, Inc. and Bard Peripheral Vascular, Inc. demand a trial by jury  
21 on all issues appropriate for jury determination.

22       **WHEREFORE**, Defendants aver that the plaintiff(s) is/are not entitled to the relief  
23 demanded in the plaintiff(s)' Complaint, and these Defendants, having fully answered, pray  
24 that this action against them be dismissed and that they be awarded their costs in defending  
25 this action and that they be granted such other and further relief as the Court deems just and  
26 appropriate.

This 12th day of July, 2016.

s/Richard B. North, Jr.
